**Q. How long has your firm been representing injury victims?**

**A.** For over 65 years, Finkelstein & Partners has represented injured New Yorkers. Now in our seventh decade, we've built a legacy of trust and unwavering commitment to our clients.

**Q. What sets your firm apart from other personal injury firms?**

**A.** Experience and other lawyers consider us the authority in personal injury law. Andrew Finkelstein is President of New York State Trial Lawyers Association, Executive Director

of the Trial School, and attorneys from outside firms come to us to learn the latest in the law.

**Q. Why do so many clients come to you through referrals?**

**A.** Referrals are our greatest compliment, and the top source of our new clients is past clients who confidently recommend us to friends and family. They do so because we win, and we win big.

**Q. What kind of results has your firm achieved?**

**A.** Over \$3 billion recovered for injury victims. No other law firm in New York can make that claim. These results reflect decades of strategic advocacy and fearless litigation.

**Q. What is your firm's mission today?**

**A.** Beyond winning cases, we're committed to making our communities better, happier, and safer places, one victory at a time.
